

***What can I do with my extra Pentec shipping materials that I am not able to recycle?***

**1**

Keep a few ice packs, Styrofoam, and boxes on hand in case you are traveling and need to transport your IPN or IDPN.

**2**

You can consider donating extra ice packs to:

- Athletic programs
- Churches
- Food banks
- Meals on Wheels
- Neighbors on neighborhood social media websites
- School nurses
- Shelters

**3**

If your area does not recycle Styrofoam, you can consider donating it to:

- Food banks
- Meals on Wheels
- Offer to family and friends to use for beverages or food storage
- Neighbors on neighborhood social media websites

You can also check the following website for private companies who buy back or recycle Styrofoam: [www.homeforfoam.com/get-started/find-a-buyer/](http://www.homeforfoam.com/get-started/find-a-buyer/)
